

Bramble Acupuncture and Light Therapy

Hi, I'm Juli M. Stewart and this is my business.

Having just relocated from Nottinghamshire, to be closer to my Dad in Deal, I have the wonderful task of setting up business again once more!! This can often be a daunting and lonely prospect so I am glad to have found this group and hope to make many contacts and friends.

Working with Acupuncture and Light Therapy, for 12 years, in many different clinics and locations, I have seen many conditions improve or completely disappear. Here is a list of some of these, I have personally had successes with:
